REMARKS

This petition is pursuant to 37 C.F.R. 1.137(b) as the present application has been unintentionally abandoned due to a failure to respond to the Non-Final Office Action by February 28, 2005. Under 37 C.F.R. 1.137(b) a grantable petition requires the following items:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth under 37 C.F.R. 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until was unintentional; and
- (4) Terminal disclaimer with disclaimer fee -- required for all utility and plant applications filed before June 8, 1995; and for all design applications.

With respect to item (1), Applicant hereby submits the required Response to the August 30, 2004 Office Action.

With respect to item (2), Applicant hereby asserts small entity status and encloses herewith the petition fee as set forth in 37 C.F.R. 1.17(m) of \$750.00.

Dear Commissioner:

DECLARATION OF RAYMOND LIBERATORE

I, Raymond Liberatore, state as follows:

1. I am the sole inventor of Patent Application Serial No. 10/628,097 ("the '097 Application"), filed on July 28, 2003.
2. The '097 Application has not been assigned.
3. It is my understanding that an Office Action issued for the '097 Application on August 30, 2004.
4. I was unaware that any Office Action had issued for the '097 Application until on or about April 15, 2005.
5. It is my understanding that the '097 Application is deemed to be abandoned because a response to the Office Action was not filed within six months after the issuance of the Office Action.
6. Soon after learning that the '097 Application was abandoned, I directed Edward L. Bishop (Registration No. 39,110) to revive the '097 Application.
7. At no time have I ever intended to abandon the '097 Application.

Under penalty of perjury, I declare that the foregoing is true and correct to the best of my knowledge.
